OUTLINE

Set up by kids and for kids, this backyard courtroom is a place where you can bring any argument to the trusted Judge: personal disagreements, mysteries, disputes over historical facts, property damage or theft -you name it, no case is too big or too small for our clever Judge.

Assisted by her younger brother **Mani** and her tricolor beagle **Chili**, Jodhi is a well-read, and trusted friend in the neighborhood who hears the facts to make her decision. Experts are called upon, evidence is presented, questions are asked and facts are analyzed, until the Judge or Jury makes a decision.
